Subject: Site Eligible for Bond Release, Jon Young, Torrey Buff Quarry, S/055/0012, Wayne County, Utah

Dear Mr. Young:

The Division of Oil, Gas and Mining inspected the Torrey Buff Quarry on April 18, 2016. The site has been reclaimed and is in stable condition.

John Blake of the School and Institutional Trust Lands Administration informed the Division that the leases on the site have been withdrawn.

You may apply for a full release of the surety being held for this site. The Division currently holds a reclamation surety of \$10,000.00 plus interest.

Before the Division can release the cash surety, you will need to fill out and return a W9 form. Enclosed is a copy of the W9 form. You can also obtain the form from the Internal Revenue Service at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>.

Please contact Wayne Western at (801) 538-5263 if you have questions about the bond release process.

Sincerely,

Paul Baker
